

HL7 SPECIAL INTEREST GROUP ON GUIDELINES AND DECISION SUPPORT

Chair: Martin Entwistle

Location: Civic 2

This working session of HL7 New Zealand's (NZHUG) Special Interest Group on Guidelines and Decision Support is open to members and non-members alike.

The session will review recent progress with standards development for guidelines and decision support systems. There will be brief presentations by two important guests:

- Mike Rillstone, Ministry of Health – Strategic direction for decision support in the NZ health sector
- Rick Shiffman, Yale University – Update from Atlanta on the HL7 working groups on Guidelines / Decision Support

Founded in 1987, Health Level Seven, Inc. (<http://www.HL7.org/>) is a not-for-profit, ANSI-accredited standards developing organisation dedicated to providing a comprehensive framework and related standards for the exchange, integration, sharing, and retrieval of electronic health information that supports clinical practice and the management, delivery and evaluation of health services.
