G-I-N Emergency Community Disclaimer

The G-I-N Emergency Community has attempted to make the information available as accurate as possible, however it makes no warranties concerning the content of the its wiki site or the clinical efficacy of the related materials that are linked from this website or any other activity. The G-I-N Emergency Community endeavours to keep the information on its wiki site updated on a regular basis, but there is no guarantee given as to the accuracy or currency of any individual item on the website at any time.

The information on this website is for personal, educational and/or professional use only and is provided in good faith without any express or implied warranty. G-I-N Emergency Community does not accept responsibility for any loss or damage occasioned by use of the information contained on the wiki site nor from any access to the website. All access and use is at the risk of the end-user.

G-I-N Emergency Community has also provided hypertext links to a number of other websites as a service to the end-users of its wiki site. This service does not imply in any way endorsement of these websites or the material contained in them. Users who link to another site are subject to the privacy policy of the new site. G-I-N Emergency Community is not responsible for the use of a hypertext link for which a commercial charge applies. Individual users are responsible for any charges that their use may incur.
